## Career Objective

To obtain a position as a Cardiac Technician in a reputed healthcare facility where I can utilize my skills and knowledge to contribute to the patient care and cardiac services. I aim to work collaboratively with health care professionals and gain valuable experience in the field while continuously developing my skills and knowledge of diagnostic studies.

## Roles and responsibilities

Conducting diagnostic tests to evaluate the cardiac function, such as electrocardiograms (ECGs), stress tests, echocardiograms, and Holter monitor tests.

Preparing patients for cardiac procedures, including explaining the procedure, taking medical histories, and monitoring vital signs

Monitoring patients during procedures to detect any adverse reactions or complications.

Maintaining accurate medical records and documenting test results.

Staying up to date on the latest research and techniques in cardiac care.

Adhering to ethical and safety guidelines in all aspects of patient care.

## Education

### **BSC. cardiac Care Technology**

DR. M. G. R. Medical University, Tamil Nadu  
2018 - 2022 —

### **HIGHER SECONDARY EDUCATION**

Cherupushpam Girls Higher Secondary School , Vadakkencherry  
2016 - 2018 —

### **HIGH SCHOOL EDUCATION**

Cherupushpam Girls Higher Secondary School , Vadakkencherry  
2015 - 2016 —

## Professional Experience

### **REVATHI MEDICAL CENTRE, TIRUPUR**

May 2022 - May 2023

One year Internship completed
