● ABOUT ME

Since my childhood i had always intended to know the practical side of everything around me. I think that was the reason why I opted science stream for my higher secondary. The best part of being a chemistry student was that there will always be practicals for every theoretical consumptions. I always want to do works which is more practical based so that I could completely get involved and love whatever I am doing.

● WORK EXPERIENCE

01/09/2020 – 31/05/2022 Mannanam, India

VOLUNTEER NATIONAL SERVICE SCHEME

I volunteered National service scheme (NSS) during my graduation. NSS laid me to intertwine with nature and to involve more in social activities. Hence I am capable of making things work out socially and environmentally.
