To whomever it may concern

Respected Sir/Mam

This letter is regarding my interest in applying for the post of Respiratory Therapist at your well known organisation .

I myself Niveditha Sreejith is a fresh graduate of Respiratory Therapy with one year of internship experience. My one year of experience as an intern match well with this specifications required for this job. I am confident enough with my relevant skills to do the job professionally.

I have the ability to work with serious patients and handle them with utmost care. As part of my current job, I am expected to carry out the following responsibilities:

- Worked to educate and treat patients with respiratory issues.
- Handled all clinical applications of respiratory care.
- Tested, adjusted, and applied oxygen, aerosol and humidity as needed.
- Monitor and promote assisted respiration for patients with BiPAP and PAP machines, mechanical ventilators, tracheostomies, and endotracheal tubes (ETT)/intubation.
- Well knowledge in monitoring and assisting respiration for patients with mechanical ventilators and other supportive machines.
- Ability to conduct lung function test and polysomnography test.
- Ability to handle critical area and well experienced in resuscitation
- **AREA HANDLED:** Mechanical ventilator, Defibrillator, Oxygen therapy devices, HFNC, Pulse oximeter cardiac monitors, Arterial BP transducer, Incentive Spirometer, Pulmonary function testing equipment, polysomnography equipment, bronchoscopy equipment, Chest Xray, ABG Samples

Sincerely

Niveditha Sreejith

Niveditha Sreejith

Respiratory Therapist
