OBJECTIVE

It has been my dream to work as an Invasive Cardiovascular Technologist since I came to know about this role. Working in the Cath lab offers me good understanding about the roles and the responsibilities of an invasive cardiovascular technologist. I strongly support safe and evidence based clinical practice, good governance, in accordance with effective team working, resulting better patient outcomes. The practical, clinical and interpersonal skills I have developed throughout my experience as an invasive cardiovascular technologist would provide me a stable foundation to undertake this new role.

EXPERIENCE

INTERNSHIP at Believers Church Medical College Hospital

Thiruvalla, Kerala

June 2022-June 2023

- Trained in **Cathlab, TMT, Holter monitoring, and Echocardiography.**
- Participated in cardiac catheterization procedures including preparing the patients, operating equipment, and monitoring patients.
- Maintained accurate patient records and documentation.
