EDUCATION

Master of Science (Microbiology)

School of Bioengineering and Biosciences,
Lovely Professional University, Jalandhar

09/2021 - Present

7.80 CGPA

Bachelor of Science (Botany)

St. Alberts College, Erankulam

07/2018 - 04/2021

7.46 CGPA

XII

CBSE, SBOA Public Sr. Sec School, S.
Chittoor

06/2017 - 04/2018

7.88 CGPA

X

CBSE, SBOA Public Sr. Sec School, S.
Chittoor

06/2015 - 04/2016

8.4 CGPA

DISSERTATION WORK

A Comparative Study of the Reproductive
Morphology of Pteridophytes (03/2022 - 04/2022)

- Understood the basis of reproductive structure of Pteridophytes. Plant species were observed under special structures like sori, sporangia and herbarium techniques were practised and done.

EXPERIENCE

QA, QC Trainee

Foodastha

11/2022 - Present

Nettoor, Kochi, Kerala

Studied about various Storing, Packing of food materials, Preparation and labelling of food products, etc

Internship Trainee

NIFPHAAT

11/2022

Kochi, Kerala

Learned about MPN testing, Canned food products testing, microbial testing, etc

SKILLS

Quality Control

Laminar air flow

Autoclave

Laminar air flow

Centrifugation

Ms Office

Communication Skill

Team Management

Hot air oven

New Product Development

Leadership Quality

WEBINAR

Attended International Webinar on "Carrier in Medical Communication", organised by Biosetup Lifesciences (07/2022)

SEMINARS

Attended course on "Microbiological Quality Control in Food and Pharmaceutical Industry" (10/2022)

Lovely Professional University, Punjab

Attended "Advances in Membrane Technology in Bioengineering and Bioprocessing Technology" (12/2021)

VIT, Trichur

CERTIFICATES

Microbial Quality control in food and pharmaceutical industry (06/2022 - 07/2022)

Lovely Professional University, Phagwara, Punjab

Biological Management of Pollutants (08/2020)

Society of Chemical and Synthetic Biology (SCSB), Vellore

Understanding cost of Quality and TQM Tools (06/2022)

Alison -Empowering yourself
