References: Available upon request.

Personal Statement: As a recent pass out from an esteemed anesthesiology program, I am eager to expand my medical expertise in the dynamic and challenging environment of an Intensive Care Unit. My commitment to patient safety and well-being, combined with a strong foundation in anesthesia and a desire to contribute to critical care management, drives me to seek a fellowship opportunity. I am confident that my skills and dedication will make me a valuable asset to any ICU team, and I am excited to embark on this next phase of my medical career.
