About Me

A doctor of pharmacy graduate with an aim of revolutionizing the role of clinical pharmacist seeking an opportunity in a clinical setting or a firm. I wish to bring an impact in public health using my patient counselling, prescription reviewing and adverse drug reaction reporting skills and also by multi-disciplinary approach to provide quality service with respect to patient for a healthy tomorrow. My motto in life is "Live like you will die tomorrow and learn like you will live forever "Looking forward to Learn more, Care more.
