## SUMMARY

Efficient & highly enthusiastic Respiratory therapist, freshly graduated with one year experience seeking for full-time job as a respiratory therapist. Desiring to work with an organisation to exhibit my skills along with improving myself.

## OBJECTIVE

I am a passionate Respiratory Therapist with excellent knowledge and experience in helping patients to overcome breathing difficulties and enhance their lives despite cardiopulmonary disorders. Adept in working with patients suffering from a variety of breathing issues and chronic respiratory diseases. Bringing forth the ability to maintain professionalism and a focused mind in high pressure-scenarios. Committed to helping patients live their best life with the assistance of beneficial Respiratory Therapy.

## EXPERIENCE

### **JUSTICE K.S HEGDE CHARITABLE HOSPITAL, MANGALORE** **2022 September to 2023 September** **INTERN-RESPIRATORY THERAPIST**

- Worked in collaboration with physicians and case supervisors to create effective treatment programs for patients.
- Worked to treat and educate patients with respiratory issues.
- Handled all clinical applications of respiratory care.
- Assessed the pulmonary status of patients and reviewed their medical charts and performed in-depth physical examinations.
- Tested, adjusted, and applied oxygen, aerosol and humidity as needed.
- Worked in emergency departments, ICUs, HDU etc.
- Managed mechanically ventilated patients and other critically ill patients.
- Minimise complications for medical and surgical patients with cardiovascular conditions and co-morbidities including heart and renal failure, arrhythmias, open heart surgery, unstable angina, infection and Sepsis.
- Monitor and promote assisted respiration for patients with BIPAP and CPAP machines, Mechanical Ventilators, HFJV, Tracheostomies and Endotracheal tubes (ETT) Intubation.
