Respected Madam/Sir,

Title: Job application for EMT -Advanced paramedic/ Academician/ Clinical Tutor/ Faculty.

I am Haritha. B, post graduate in Emergency Medical Technology, programme under the division of Allied Health Sciences. I am from Kollam, Kerala. I am possessing experience to work well with high-risk patients and a wide exposure to teach the under graduate students. I am confident in my ability to work extremely well for the patients as well as for students at your facility. I am skilled in providing advanced level of emergency care to patients. My comprehension of both anatomy and physiology assist me in patient assessment and evaluation, which is the basis of all emergency procedures. Additionally, I am proficient in managing basic, advanced life support with my extensive experience and skills; I have much to add to your facility in terms of expertise in emergency care and acute patient Management.

I would like to join your institute, as I believe working in your facility will give me lot of experience, knowledge, and the opportunity to work with senior professionals. Here, I attach my resume with the following details.

Thanking you for taking time out of your busy schedule to consider my application.

Sincerely,

HARITHA.B.
