PROJECTS

: Impact of Microfinance on Women Empowerment through Kudumbashree Units.

-Conducted a comprehensive study to analyze the performance of Kudumbashree (KDS) units in Kothamangalam Municipality, focusing on the impact of microfinance on women empowerment. The project aimed to understand the purpose of obtaining microfinance, the role of the government, and the challenges faced by KDS units.

- Researched and collected data on KDS units, including their establishment, functioning, and impact on local communities.
- Analyzed quantitative and qualitative data to assess the effectiveness of microfinance in promoting women empowerment within Kudumbashree units.
- Conducted interviews and surveys with KDS members to gather insights into their experiences, challenges, and benefits derived from microfinance initiatives.
- Collaborated with a team of researchers to ensure accurate data collection, analysis, and interpretation.
- Prepared a detailed report summarizing the findings and recommendations for improving the performance of KDS units and enhancing the impact of microfinance programs on women empowerment.

This project showcased my research, analytical, and teamwork skills while providing valuable insights into the role of microfinance in empowering women through Kudumbashree units.

Project: Dealer's Satisfaction

:Guided teams in the JKJ Foods and Beverages, Chirapady, Muvattupuzha, Ernakulam.

Clients: Areva Beverages

Results:

Conducted a study to assess the level of dealer's satisfaction towards Areva products. Analyzed various factors and found that customers are satisfied with the quality and price of the products.

Recommendations from customers included improving buyback policies and increasing advertising efforts to highlight the production standards.

Demonstrated a preference for Areva products.

DECLARATION:

I declare that the information provided in this resume is true to the best of my knowledge.
