2	HIGHER SECONDARY	ST. XAVIER'S HR SEC SCHOOL TIRUNELVELI	2016
3	B. SC. RADIOLOGY AND IMAGING TECHNOLOGY	DR. JEYASEKHARAN MEDICAL TRUST AND ALLIED HEALTH SCIENCES (Affiliated to Dr.MGR University) NAGERCOIL	2021

## IN HOUSE TRAINING:

S.NO	Name of Institution	Designation	Period of Service
1	DR. JEYASEKHARAN MEDICAL TRUST AND ALLIED HEALTH SCIENCES NAGERCOIL	RADIOLOGICAL TECHNOLOGIST (X-RAY ,CT )	OCT 2020 TO OCT 2021

## PROFESSIONAL EXPERIENCE

- **Radiographer (X-RAY ,CT,MRI)**  
Barani Scans & Labs (Nov 2021 - Till Date),  
Tirunelveli

## EDUCATIONAL ORIENTED SKILLS

- **MAGNETIC RESONANCE IMAGING: SIEMENS ESSENZA 1.5 TESLA MRI SCANNER**
- **COMPUTED TOMOGRAPHY : GE 4 SLICE & SIEMENS (SOMATOM SCOPE) 16 SLICE & SIEMENS (SOMATOM go.,Now) 32 SLICE CT SCANNER.**
- **COMPUTED RADIOGRAPHY-AGFA (500mA).**
- **WARD RADIOGRAPHY PORTABLE X-RAY UNIT-SIEMENS (100 mA).**
- **THEATRE RADIOGRAPHY-PHILIPS (C-ARM)**

## SEMINARS ATTENDED:

•Attended the “ JHARTCON 2018” conducted By Dr. Jeyasekharan Medical Trust.Nagercoil

- Attended the 3rd National conference of society of radiographers & Radiological technologists (SORRT) & 2nd national conference of student radiological technologists.
- Attended National conference for health care administrators and diagnostic professionals (SANLOIS 16)

## **TECHNICAL SKILLS**

- **Basic computer knowledge,**
- **Desktop publishing**
- **MS office**

## **ADVANCED CT APPLICATIONS**

- **Advanced Image Production by selecting appropriate parameters.**
- **Spiral mode with high speed and high quality techniques by selecting appropriate pitch ratio.**
- **High Resolutions CT.**
- **Advanced Artifact identification and compensation.**
- **Contrast media.**

## **PERFORMANCE IN CT**

- **Evaluation of requisition and Medical Records. Identification of Patient.**
- **Documentation Of Patient History Including Allergiew Safety Screening And Patient Education Concerning The Rocedures.**
- **Patient Care And Assessment. Preparation Of Examination Room.**
- **Patient Positioning, Protocol Selection.**
- **Parameter Selection, Image Display Filming And Archiving .**

## **JOB RESPONSIBILITIES**

- Responsible for performing CT as required by Staff physicians under the direction of Radiologist.
- Responsible for all patients imaging procedures – reflected on the impact of ethics, safety and legal requirements on clinical practice.
- Perform radiographic procedures assigned to me in time and to perfection with independent Judgment.
- Analyze and appraise quality assurance issued related to CT
- Work under the direction of the Radiologist promotes innovation and original thought in the acquisition, production and presentation of CT
- Analyze the physiological and physical capabilities of patients under going CT
- Evaluate critically, Justify and modify where appropriate, the scanning protocols employed in CT examination.

## **DUTIES INCLUDE :**

- Receiving and completing requisition forms and reports; preparing and monitoring supplies and equipment; patient monitoring and operating acquisition equipment; including archiving acquired images and computerized patient data systems

## **DECLARATION:**

- I hereby declare that the above particulars are truly correct in the best of my knowledge and belief.

**PLACE :TIRUNELVELI**

  
**S. FEROZKHAN**  
**(RADIOTECHNOLOGIST)**
