

AFSAL R

RADIOGRAPHER

Gender:	Male	Passport No:	U8645612
Date of Birth:	06-08-1999	Place of Issue:	Trivandrum
Total Experience:	1 Year	Date of Issue:	02-02-2021
Email:	afsalrajs@gmail.com	Date of Expiry:	01-02-2031
Phone No:	+917356547356.		
Address:	Surabhi, Kallalibhagom Post, Karunagapally. Pin-690519, Kerala India		

Area of Specialty

- Radiographer (MRI /CT/X-ray)

REGISTRATIONS

SOCIETY OF INDIAN RADIOGRAPHERS (SIR)

Regd No – SIR 4546

Overview and Objective

Highly skilled and dedicated Radiographer with 1 year of experience in producing high quality medical images using MRI, CT, X-ray and Fluoroscopy investigations with a deep knowledge in Cross-Sectional Anatomy and Radiography procedures. Professional and clear communicator, disseminating sensitive information to both patients and doctors.

Education & Professional Registration

- **Bachelor Of Medical Imaging Technology (2021)** RAJIV GANDHI UNIVERSITY
BENGALURU , KARNATAKA,INDIA
- **SOCIETY OF INDIAN RADIOGRAPHERS (SIR)** Regd No – SIR 4546

Work Experience

- **NS Memorial Institute Of Medical Sciences**, Mylapure, Palathara, Thazhuthala, Kerala 691020
(Radiographer)
Department: Radiology
10.10.2022 to till date

Duties & Responsibilities

- Operating and maintaining imaging equipment such as X-ray machines, CT scanners, MRI machines and ultrasound devices.
- Positioning patients correctly to obtain clear and accurate images.
- Administering contrast agents or other substances to enhance imaging procedures when required.
- Ensuring patient safety and comfort during the imaging process.
- Analyzing and interpreting images to identify any abnormalities or issues.
- Collaborating with other healthcare professionals to discuss imaging results and provide accurate diagnoses.
- Maintaining patient records and documenting imaging procedures appropriately.
- Adhering to safety protocols and radiation protection guidelines.
- Continuing professional development to stay updated with new techniques and advancements in the field.
- Maintaining a clean and organized work environment.
- Perform CT, X-ray, C-arm and Fluoroscopy imaging procedures according to the trust.
- Participate in audit and quality control programmed.
- Participation in the IV/IM injection programmed.
- Communicate effectively with other staff and members of the public to ensure the smooth running of the service and ensure that enquiries are dealt with promptly and efficiently.
- Ensure equipment is working correctly, undertaking troubleshooting if required.
- Assisting Radiologists, Technologists and Physicians with advanced preparation and testing.
- Accountable for organizing work schedules and maintaining accurate patient records.

Type of Cases Handled

I am competent in performing routine and complex diagnostic radiological procedures in the following modalities

Radiographer (MRI)

I am well versed in MRI. All MRI routine studies (plain and contrast) which includes, routine cases such as brain, neck, spine, body cases- MRCP, abdomen, triphasic, pelvis, prostate, fistulogram, Musculoskeletal cases such as – knee joint, ankle, shoulder joint, wrist, Elbow, hip joint, foot, MRA, MRV - With and without contrast. Special scans like Lumbar Plexus, brachial plexus, spectroscopy, perfusion and Breast and Pituitary dynamic studies. Brain pituitary, epilepsy, orbit, and stroke.

Radiographer (CT)

I am well versed in all CT Routine Studies Such as Brain, PNS, Spine, Orbit, Abdomen, Thorax, Extremities,(With And Without Contrast).

Angiograms - Cerebral, Head and Neck, Peripheral Angio (Upper, Lower), Pulmonary Angio, Renal Angio.

Assisted In - Biopsy, RF Ablation, Pigtail Insertion, Rendering Technique, Maximum Intensity Projection.

Radiographer (X-ray)

- All general and special X-ray studies
- Special investigation like RUG, MCU and HSG
- Special trauma radiographs

Equipment Handled

- Siemens 128 slice CT scanner
- Philips 128 slice CT scanner
- Philips 1.5T MRI
- Siemens 1.5T MRI
- Siemens 100mA portable X-ray
- Carestream portable X-ray
- Siemens 300mA,500mA X-ray
- Medrad dual head pressure injector (salient)
- Medrad dual head pressure injector (Spectris Solaris EP)
- Philips 100mA portable machine
- Siemens Fluorovision 800Ma

Skills

- Adaptable and quick learner
- Hardworking and dedicated to work.
- Good interpersonal skills
- Confident and definite of purpose
