

DR AASHI FAZEELA M BDS, MDS

DENTAL SURGEON, CONSULTING ORAL & MAXILLOFACIAL
PATHOLOGIST
REGISTRATION NO: A19218

PROFILE

As a highly skilled and dedicated dentist with a specialization in Oral Pathology, I bring my experience in diagnosing and treating complex oral diseases and conditions. With a deep understanding of the intricacies of oral pathology, I am committed to providing accurate diagnoses and developing comprehensive treatment plans to improve patients' oral health and overall well-being. I have a strong background in analyzing biopsy samples, conducting oral cancer screenings, and collaborating with other healthcare professionals to ensure the best possible outcomes for my patients. With a passion for continuous learning, I actively engage in research and stay abreast of the latest advancements in the field. My goal is to contribute my expertise and make a positive impact on the lives of patients by providing exceptional oral pathology services in a compassionate and patient-centered manner.
