SKILLS

HIGHLIGHTS OF QUALIFICATION
*Sound knowledge of nursing process. *Ability to multi-task,work independently and good judgment in team *Exceptional organization and communication skills. *Alert in drug administration and documentation. *Maintainance of hospital supplies. * Proper monitoring of patient. *Barrier nursing. *Ensure safety of patients and other staffs. *Good computer skills.

OBJECTIVE

I hold a Degree in Nursing [B.Sc] and proven experience [as a nursing student] effectively and efficiently managing both patients and staff.I am an extremely organized, calm and patient professional with excellent healthcare skills. I have a passion for providing quality care to patients and the best leadership skills to inspire other coworkers to provide above standard levels of service. As a nursing student at Nehru College of Nursing and P K Das Hospital Vaniyamkulam, I evaluated the medical conditions of up to 20 patients daily. During the mentioned time I've been recognized as a dedicated, ambitious, and reliable person who has the ability to work without supervision. My aim is to give each patient and family the knowledge and tools necessary to provide the correct healthcare practices at home.
