

# V MOHAMMED FAZIL

hospital administrator

Enthusiastic and dedicated post graduate student in the field of Hospital Administration deeply committed to furthering my education in this area. Building on a solid educational background with a completed Bachelor's degree in Hospital Administration, I have proactively enhanced my expertise in healthcare management over the course of six years. I have a proven track record in leadership, showcasing my ability to efficiently organize and coordinate tasks. My exceptional cross-functional communication skills enable me to engage effectively with a wide range of stakeholders, thereby ensuring seamless operations and cultivating positive relationships. Moreover, I stay up-to-date with the latest technological advancements, consistently expanding my knowledge to remain at the forefront of the industry.
