EXPERIENCE

Sri Gokulam Hospitals

Radiography and imaging technologist.

- I am a Radiology Technologist with a completed internship and I have successfully transitioned from a recent graduate or trainee to a more seasoned professional in the field of radiologic technology. I have completed formal education, hands-on training during my internship, and I have gained valuable experience.
- I've gained experience during my internship period with **GE 300 MA x-ray machine, 1.5 Tesla GE Magnetic resonance imaging and Computed Tomography 16 slice Siemens Somatom Emotion machine.**

SKILLS

Technical Proficiency: Operate radiographic equipment and computer software proficiently to produce high quality images.

Radiation Safety: Knowledge of radiation safety protocols to protect patients and themselves from radiation exposure.

Patient Care: Ability to communicate effectively with patients, provide clear instructions, and maintain a compassionate and empathetic demeanor.

Communication: Effectively communicate with radiologists and other healthcare professionals to convey findings and collaborate on patient care.

Continuous Learning: Stay updated with advancements in radiographic technology and healthcare practices through ongoing education and training.
