Skills

- Patient Dealing Communication skills Empathy mentality Confidence Time management

Projects

- **UG - Correlation between dynamic trunk balance and core muscle endurance in young individuals with chronic non specific low back pain.**

Study was done on 20 young individuals with chronic non specific low back pain with in the age of 18-25 and we had a positive correlation between dynamic trunk balance and core muscle endurance.

Interests

- I have deep interests in arts and sports field as I am gifted with talent of singing and was a sports person in the field of Judo.I can use my all the experience and knowledge in my professional career of physiotherapy as I can understand the situation, mentality and feelings of a sports person who suffers with injury. Since I have talent of singing I can give patients a kind of relief in their sufferings by singing songs at treatment sessions to them as it says music is also a good therapy.

Languages

- Malayalam - Native Hindi - fluent English - fluent Tamil - intermediate
