

DIYA ELSA BENNY

AUDIOLOGIST/SPEECH LANGUAGE PATHOLOGIST

PROFILE

A rehabilitative professional with experience in performing diagnostic evaluations, developing individualized treatment plans, and providing therapeutic interventions for clients who are experiencing speech, language, hearing or swallowing difficulties. I have effectively collaborated with multidisciplinary teams to provide high-quality patient care and achieve desired goals. I am passionate about helping patients to reach their clinical goals and can communicate effectively with clients, families and healthcare teams, resulting in better and positive patient outcomes. I look forward to working in an organization promoting evidence-based practices and improved clinical outcomes where I can utilize my existing knowledge and skills and strive for professional advancements.
