📄 PROFILE

As a highly motivated and compassionate nursing professional, I am committed to providing patient care and promoting positive health outcomes. With a Bachelor of Science degree in Nursing from Kerala University, I have acquired a solid foundation in nursing theory, evidenced-based practice, and patient-centered care. In addition, my clinical experiences have enabled me to develop strong clinical assessment, critical thinking, problem-solving skills and ability to collaborate effectively with interdisciplinary healthcare teams.

As a nurse, I am passionate about making a meaningful impact in the lives of those I serve, and strive to promote a culture of safety, empathy, and dignity in all aspects of care. As a lifelong learner, I am dedicated to staying alongside the latest nursing research and best practices, and continually seek to improve my skills and knowledge through ongoing education and professional development opportunities.

With a strong work ethic, a positive attitude, and a commitment to excellence, I am confident that I can make a valuable contribution to any healthcare team. Thank you for considering my application.
