Summary

As a Pharm.D. graduate, I am seeking a Clinical Pharmacist role where my expertise in medication management, dedication to patient care, and proficiency in interdisciplinary collaboration can be utilized. Committed to optimizing therapy and fostering positive healthcare outcomes.

Internship

17/12/2022 – 16/12/2023

Siddaganga Medical College and Research Institute
[Certified by the National Accreditation Board for Hospitals and Healthcare Providers (NABH)] SMCRI, Tumkur

- ◆ Provide direct patient care by collaborating with healthcare professionals to optimize medication therapy and outcomes.
- ◆ Manage and monitor medication therapy, including selection, dosing, administration, and monitoring of drug regimens.
- ◆ Dispense medications accurately, ensuring proper labeling and patient education.
- ◆ Educate patients on proper medication use, potential side effects, and the importance of adherence to prescribed regimens.
- ◆ Offer drug information services to healthcare professionals, patients, and caregivers.
- ◆ Work collaboratively with physicians, nurses, and other healthcare professionals to optimize patient care.
