### **MY INSTITUTION: (Studied)**

Christian Medical College was founded by Dr. Ida Sophia Scudder. It is one of the standardized hospitals in Asia and awarded as no.2. It is a private Teaching Hospital (Medicine, Nursing, and Allied Medicines) under Dr. M.G.R. Medical University. In the hospital, there are 2600 beds for in-patients and about 6000 outpatients are treated daily. Extensions of the hospital include the Eye Hospital, Ida Scudder Ward, two rural hospitals – CHAD AND RUHSA facilitating change in the lives of rural people, a New Life Centre for leprosy patients and a Rehabilitation Centre. In 2001, the National Assessment and Accreditation Council (NAAC) on autonomous institution of the University Grants Commission awarded a FIVE STAR RATING to the Institution.

The College of Nursing as an Integral part of CMC. It has been recognized in 2000 by Government of India as an "Institute of Excellence in India". It is also WHO COLLABORATING CENTER FOR NURSING AND MIDWIFERY DEVELOPMENT in 2003. The college has become a member of the "Global Network" for WHO Collaborating centers. It is also certified as a study centre for National PhDs Consortium by Indian Nursing Council and WHO. From 2005, the College of Nursing is offering Fellowship in Family Nurse Practice.

This institution has been a pioneer in India in the development of community based education as well as in higher specialties. The primary concern of the Christian medical college, Vellore, is to develop through education and training, compassionate, professionally excellent, ethically sound individuals who will go out as servant-leaders of health teams and healing communities. This service may be in promotive, preventive, curative, rehabilitative or palliative aspects of health care, in education or in research.
