SUMMARY

Dear Hiring Manager,

I would like to introduce myself and apply to the post of cardiac perfusionist in your hospital. My name is Anitta John, currently working in All India Institute of Medical Science (AIIMS), Jodhpur.

I have completed my "Fellowship in ECMO Specialist" from AIIMS, Jodhpur and clinical training from Fortis Memorial Research Institute, Delhi. Handled Adult and Pediatric cases independently. Moreover, managed IABP and ECMO cases.

Please look into my resume for detailed information. If I can provide you with any further information on my background and qualification, please let me know.

I look forward to hearing from you. Thank you for your consideration.

Regards

Anitta John
