PROFILE

I am a Pharm D graduate looking forward for opportunities to excel my career as a clinical pharmacist. I have clinical exposure in Pediatrics, Gynecology, Psychiatry and General Medicine. I have also played a crucial part in patient counseling as well as in medication error auditing, ADR reporting, drug interaction reporting, drug dose adjustment and also providing drug information to physicians. I would like to take up challenging roles in the healthcare setting and put into practice my skills and talents for the benefit of the organization and also upgrade myself clinically and professionally.
