Re: Application for Physical therapist Position

I am writing to express my strong interest in the physiotherapy position at Medical Trust Hospital. With a solid background in physiotherapy and a passion for improving the quality of life for patients, I am confident in my ability to make a meaningful contribution to your team.

As you can see from my attached CV, During my six month of internship in PSG Hospital (NABH accredited) of experience as a physiotherapist, I have developed a comprehensive skill set that includes patient assessment, treatment planning, therapeutic exercise, manual therapy, and patient education.

I am adept at designing and implementing tailored treatment plans, and I strive to stay current with the latest evidence-based practices in the field of physiotherapy.

I am eager to contribute to your team and leverage my expertise to help patients regain function, manage pain, and improve their overall well-being.

I am enthusiastic about the opportunity and confident that my combination of clinical skills, compassionate approach, and dedication to excellence make me a strong fit for the physiotherapy position at Medical Trust Hospital.

Thank you for your time and considering my application. I am looking forward to the possibility of contributing to Medical Trust Hospital and am available at your earliest convenience for an interview. Please find my resume attached for your review.

Yours sincerely,

S.Thuyavan
