Professional Summary: I'm pursuing BBA Hospital Management course in NSHM Knowledge Campus, Durgapur. My eagerness to learn and develop new skills while contributing to the success of the organization. I would emphasize my ability to adapt to new situation, work collaboratively with others, and take on a range of responsibilities.

Career Objective: I'm looking for an opportunity for making head start my career in the Healthcare Industry. I wish to work in the most prestigious and renowned organizations, working alongside professionals that will help in my professional and personal growth. I shall always be ready to learn new skills and implement them the right way, and discovering my potentials to the fullest.
