OBJECTIVE

My aim is to put all my efforts in development of present health care system, to confidently deal with all the people in the organization with my interpersonal and communication skills while building longevity in a diverse and challenging position that would make maximum utilization of my professional skills and to constantly put effort in learning new things.

EXPERIENCE

Care Hospital, Nampally, Hyderabad, Telangana (NABH & NABL ACCREDITED)

I had been working at Care Hospital, Nampally, Hyderabad for two years from 5th July 2021 to 8th August 2023. I have working experience in medical and surgical oncology ward and medical ICU (MICU)

ADDITIONAL INFORMATION

I was trained in Basic Life Support (BLS) and Advanced Cardiac Life Support (ACLS). I assisted critical care procedures like Lumbar Puncture, Central Venous Catheterization, Endotracheal Intubation, Tracheostomy, (surgical and percutaneous), ABG analysis, dialysis sheath insertion, invasive monitoring of central line venous pressure and arterial catheter. I have professional expertise in the use of ventilator (invasive and non-invasive), Defibrillator, syringe pumps, infusion pumps, cardiac output monitoring, bronchoscopy, endoscopy, pulse oximetry, prone position ventilation. I worked in medical and surgical oncology department. I have gained expertise in managing oncology and hematology patients. I am well versed with the procedure of Chemo port Placement, PICC line management, post-operative management, administration of chemotherapy drugs and management of post-chemotherapy toxicities. I have also gained expertise in management of hematological malignancies febrile neutropenia.
