

RIYA SALIM

OPERATION THEATRE/ANAESTHESIA
TECHNOLOGIST

CAREER OBJECTIVES

I am a certified and experienced Anaesthesia Technician seeking a position that will allow me to apply my skills and knowledge in operation theatre and anaesthesia technology. I have successfully assisted in more than 300 surgeries, including cardiothoracic and general procedures, and have demonstrated proficiency in testing and calibrating equipment, monitoring and managing patients under anaesthesia, and following anaesthetic and sterile techniques.

PROFESSIONAL QUALIFICATION

Bsc.Operation theatre and Anaesthesia Technology from Sree Abirami College of allied health science, Coimbatore, Tamilnadu (Dr. M G R Univerisity, Chennai)

CLINICAL EXPERIENCE [18/1/2023 to 18/1/2024]

Sree Abirami Hospital, Coimbatore

➤Completed a one-year internship in cardiothoracic department.

Assisting surgeons in elective and emergency procedures such as Coronary artery bypass graft (CABG), Aortic valve replacement (AVR), and Mitral valve replacement (MVR)

➤General Operating Room

Participated in clinical posting as part of curriculum, observing and learning from experienced nurses and doctors in various surgical specialties. Performed preoperative and post-operative tasks such as patient assessment, vital signs monitoring, wound dressing, and infection control

ROLES AND RESPONSIBILITES

- Conduct safety inspections and maintenance of anaesthesia equipment and assist the anaesthesiologist as required

-Monitor the patient's vital signs and anaesthesia levels and report any deviations to the anaesthesiologist

-Perform allergy tests for anaesthetics and identify any signs of allergic reactions

-Provide assistance during challenging intubation procedures and ensure the patient's hemodynamic stability

-Adhere to the ASA infection control standards for the cleaning, disinfection, and sterilization of anaesthesia instruments between and after cases

-Serve as a basic resource and clinical support for the anaesthesiology faculty
