ABOUT ME

Compassionate professional skilled in managing medical emergencies and fostering positive relationships with patients and families. Expert in communicating medical terminology clearly and concisely to patients, families and other healthcare professionals. Highly organized and detail-oriented for accurately completing paperwork and documentation. Organized and dependable candidate, successful at managing multiple priorities with a positive attitude and willingness to take on added responsibilities to meet team goals.

WORK EXPERIENCE

 INTERN DOCTOR | JUL 2022 - JUL 2023

GOVERNMENT MEDICAL COLLEGE, KOZHIKODE

- Provided emergent medical care and treatment for life-threatening injuries and illnesses.
- Thoroughly examined patients and elicited medical history data to use in assessing health and identifying conditions.
- Interviewed patients concerning physical complaints, discussed symptoms, asked questions, and suggested treatment options.
- Explained procedures and discussed test results or prescribed treatments with patients.
- Teamed with other physicians, specialists, and health care providers to provide well-rounded care for complex cases.
- Created treatment plans balancing medical expertise, patient goals and individual compliance levels.
- Diagnosed and treated patients suffering from chronic conditions.
- Participated in patient education sessions among targeted populations with prevalent health risk factors.
- Instructed and advised patients regarding preventive health care measures to promote early detection, diagnosis and management of medical conditions.
- Identified serious conditions and emergency situations and immediately referred to hospital for prompt care in peripheral setup.
- Adhered to universal precautions and other appropriate infection control practices.
