SKILLS

- Ability to keep meticulous records
- Attention to detail
- Excellent analytical and problem-solving skills
- Ability to interact and communicate effectively with a wide range of people
- A systematic approach to tasks
- Excellent IT skills
- Enthusiastic in learning new knowledge and skills

PROJECTS

- **Evaluation of antiurolithiatic activity of ethanolic extract of Cinnamomum malabatum leaves**
I conducted a research on evaluating the antiurolithiatic potential of ethanolic extract of Cinnamomum malabatum leaves as part of my postgraduate research curriculum and arrived at satisfactory conclusions. More than arriving at significant results i learnt skills in animal handling as well as statistical analysis and graphical representation of data using suitable sowares.
- **Methods for screening the antiurolithiatic potential**
As a part of my research work i conducted a review on various screening methods for urolithiasis and published as a review article on methods for screening the antiurolithiatic potential.
