SUMMARY

Highly motivated medical microbiologist with academic and analytical skills for the resolution of complicated microbiological issues. Expertise in microbiological and molecular methods potentially improve the turn-around-time. Eager to develop new skills and update to the latest innovations in the field.

EDUCATION

- Master of Science in Medical Microbiology**
School of Medical Education - CPAS, Gandhinagar, Kottayam, Kerala
2021-2024 | Mahatma Gandhi University
Percentage of Marks: First year – 78% | Second year- Result awaiting
- Bachelor of Science in Medical Microbiology**
School of Medical Education – CPAS, Gandhinagar, Kottayam
2016-2021 | Mahatma Gandhi University
Percentage of Marks – 68%
- Higher Secondary Education**
GHSS – Pattikkad, Thrissur
2013-2015 | DHSE
Percentage of Marks – 93%
- Secondary Education**
Mary Matha HSS – Panthalampadam, Palakkad
2013 | SSLC
Percentage of Marks – 96%

SKILLS

- BACTERIOLOGY**
Identification of Bacteria | Antimicrobial Susceptibility Testing | Automated Detection Systems and Analyzers
- IMMUNOLOGY**
Routine Laboratory Tests | Immunochemistry | Serology | Eliza
- ANTIMICROBIAL RESISTANCE**
AMR Detection | Molecular Basis and Detection | Classification and Analysis from Clinical Isolates
- VIROLOGY, MYCOLOGY, PARASITOLOGY, MOLECULAR BIOLOGY**

PROJECTS AND PUBLICATIONS

Estimation of Phagocytic activity by normal human peripheral blood mononuclear cells on various oral isolates of *Candida* species – An *in vitro* study – JOURNAL OF MEDICAL SCIENCE February 2024 DOI:10.20883/medical.e953

PARTICIPATIONS

- ANTIMICROBIAL STEWARDSHIP: A Competency- based approach
World Health Organization – OpenWHO Course
 - Oral Microbiome and Infections: Revisiting the Fundamentals
Dept. of Microbiology, KMC Mangalore
 - Workshop on HEALTH RESEARCH METHODOLOGY & Hands-on training in Data analysis on SPSS
Dept. of Medical Microbiology, CPAS-SME
 - “#LongLifeForAll- World Immunization Week”
Dept. of Medical Microbiology, CPAS-SME
 - Inter-University Seminar: Viral Infections and Epidemiological Studies
Dept. of Medical Microbiology, CPAS-SME
-

POSTINGS & EXPERIENCES

- Jubilee Mission Medical College & Research Institute, Thrissur
Clinical Posting – 3 months
 - Daya General Hospital Limited, Thrissur
Clinical Posting – 2 months
 - KIMS, Kottayam
Clinical Posting – 1 month
-

DECLARATION

I, Sreelakshmi P J, hereby declare that the above-mentioned details are true and correct to the best of my knowledge.
