- Kidney transplant
- Non-Operating Room Anesthesia
- Neuro surgeries
- Gastro procedures like Whipple, vascular procedures etc.

AREA OF INTEREST

- Emergency & Trauma Anesthesia
- Pain Medicine
- Obstetric Anesthesia

MEMBERSHIPS

- Life member of Indian Society of Anesthesiologists (ISA)
- Life member of Indian Medical Association (IMA)
- Life member of the Academy of Regional Anaesthesia (AORA)

AWARDS

- University Rank 2, PG Diploma in Anesthesia 2020,SSUHS Guwahati Assam
- All India 15th rank in DNB PDCET Anesthesiology in 2021

PROFESSIONAL PARTICIPATION

- KRACS Regional Anesthesia Workshop on USG guided regional anesthesia upper limb and lower limb blocks organized by ISA Kannur, Kerala- India
- ISAMIDKON 2023 sponsored by ISA Perinthalmanna, Kerala – India
- CME & Workshop on advanced airway skills by ISA guwahati,2020
- North East AORA CME by Nazareth Hospital, Shillong Meghalaya 2020
- Workshop on NIV and CME by GMCH dept. Pulmonary Medicine Guwahati 2018

REFERENCE

- **Dr. Rajesh MC**
Senior Consultant & Academic Coordinator - Dept. of Anesthesiology Baby Memorial Hospital, Calicut – India
+91 98470 01136

- Performed different blocks including supraclavicular, sciatic, lumbar plexus, erector spine, TAP (transverse abdominis plane), popliteal, sacral plexus, infra clavicular, axillary etc.
- Worked at SARS Cov 2 infected patients wards and ICUs

• **Junior Resident in Anesthesiology**

Gauhati medical college and hospital, Guwahati, India | 04/2018 - 6/2020

- Fortunate to administer anesthesia to all type of procedures single-
- Actively involved in both academic activities and clinical case management.
- Acquired experience and confidence in procedures including endotracheal intubation, lumbar puncture, managing general Anesthesia, spinal anesthesia, regional blocks (upper and lower limb blocks), central line cannulation, arterial line insertion, epidural catheterization and managing ventilator patients in ICU.
- Trained under veteran anesthesiologists, acquiring hands-on experience in patient care and treatment.
- Fortunate to gain knowledge and has been trained to administer all types of anesthesia in all sub specialties including neuro, pediatric, plastic, cardiac, vascular, gastro, ortho and general surgeries, urological procedures, obstetrics and gynecology procedures
- Gained sound experience in anesthesia for kidney transplant surgery.

• **Resident Medical Officer**

Karthiayani Nursing Home, Thrissur, India | 01/2017 - 02/2018

- Providing care to the patients in OPD, IPD, ICU, and casualty.

• **Medical Internship**

Jubilee Mission Medical College and Research Institute, Thrissur | 08/2015 - 08/2016

- Gained knowledge in all medical and surgical cases under the supervision of Senior Consultants

PRESENTATIONS

- Poster presentation on "PENG Block –A Novel method of regional Anesthesia" ISAMIDKON held at Malappuram, India on 2023 March.

DISSERTATION

- Perfusion Index as a predictor of hypotension following Propofol induction: A prospective observational study

I do here by acknowledge that above mentioned details are true to my knowledge
