- Triple Phase Imaging
- CPR

PROFESSIONAL EXPERIENCE

Prakash Diagonostic, VARANASI

Jun 2023- 2024

CT Scan technician

"In my role as a Radiographer and CT Scan Technician, I was renowned for my ability to consistently achieve a remarkable Turnaround Time (TAT) of 12 hours. This not only set a high standard for efficiency but also ensured swift delivery of crucial diagnostic reports. My dedication to excellence and outstanding performance earned me accolades and recognition within the organization."

Regency Hospital LTD, KANPUR

Jun 2019- 2023

X RAY - CT Scan technician

"As a CT and X-Ray Technician at Regency Hospital, I played a pivotal role in delivering high-quality diagnostic imaging services. I adeptly operated advanced equipment, ensuring accurate scans and X-rays for efficient patient diagnosis and treatment."

Bhagava Medical & Trauma Center, KANPUR

July 2017- 2019

X RAY - CT Scan technician

At Bhagava Medical & Trauma Center in Kanpur, I specialized in conducting CT and MRI scans, ensuring precise imaging and accurate diagnoses for patients in need of urgent medical care. Collaborating closely with medical teams, I contributed to efficient and effective treatment plans, prioritizing patient well-being and safety in every procedure
