### WORK EXPERIENCE

#### INTERNSHIP

MMHRC (2023-2024)

- Certified by the American Heart Association in ACLS and BLS, I demonstrated competence in advanced life support measures. Engaging in ambulance shifts, I ensured smooth patient transfers, implementing critical care protocols en route. Experienced in Jalikattu and sports camps, demonstrating teamwork and resilience. Contributed to frontline efforts during the COVID-19 pandemic, showcasing adaptability and crisis management skills.
- During my internship at Meenakshi Mission Hospital, I adeptly executed emergency medical procedures such as advanced airway management, vascular access, and wound closure. My proficiency in pharmacology complemented these skills, enhancing patient care interventions.
