CARRIER OBJECTIVE

As a nurse is to provide exceptional patient care while continuously developing my skills and knowledge in the Healthcare industry. I am seeking a position in a dynamic health care organization where I can make a positive impact on Patient outcomes and work collaboratively with a team of health care professionals. My goal is to become a skilled and knowledge nurse who can provide compassionate care to patients and contribute to the advancement of the nursing profession.

TRAINING CENTRE DURING COURSE

Staff Nurse, MaAx super speciality Hospital shimoga

- Assisted physicians in providing patient care, including the administration of medications and treatments.
- Utilized EMR systems to document patient histories, vitals, and lab results.

Staff Nurse, Subbiah institute of science and research center shimoga Karnataka

- Collaborated with other healthcare professionals to develop and implement individualized patient care plans.
- Actively managed patient flow to ensure timely access to care.
- Demonstrated expertise in anticipating and responding to emergent clinical situations.

Staff Nurse, Manasa education foundation for mental health, shimoga , Karnataka

- Educated patients and families on disease processes, management, and prevention.
- Assisted in the orientation and training of new nursing staff.
- Actively participated in interdisciplinary team meetings to discuss patient care.

 Leadership

 Work ethic

Staff Nurse, Angel's Mother and child hospital shimoga

- Actively managed patient flow to ensure timely access to care.
- Educated patients and families on disease processes, management, and prevention.
- Monitored and assessed patient progress and reported changes to physicians.
