Profile

Dedicated and compassionate MICU nurse with 1 year of experience in providing exceptional patient care in high-pressure, critical care environments. Possessing a strong background in medical procedures, patient monitoring, and acute care interventions, I am committed to delivering optimal outcomes for critically ill patients. Adaptable, detail-oriented, and skilled in handling complex medical cases, I excel in collaborating with interdisciplinary healthcare teams to ensure the highest standard of care.

Experience

2023-2024 **Krishna Institute of Medical Sciences Ltd (KIMS) Hospitals**

Nellore, India

Staff Nurse, MICU

An experienced and dedicated MICU Nurse with a passion for delivering top-notch care to patients with complex medical conditions. With a strong background in the critical care setting and a proven ability to work effectively in fast-paced environments

Detailed achievements:

- Provide comprehensive nursing care to critically ill patients in the Intensive Care Unit.
- Perform detailed patient assessments, develop and implement individualized care plans.
- Administer medications, monitor responses, and adjust treatments as necessary.
- Collaborate with the interdisciplinary team to ensure coordinated and effective care.
- Respond to emergencies, stabilize patients, and participate in code blue situations.
- Educate patients and families about their conditions, treatment plans, and post-discharge care.
