

WORK EXPERIENCE

General Dentist, Dr Lakshmi's Crown Dental Clinic, Palakkad, Kerala

January - April 2024

- Conducted routine dental treatments and formulated effective treatment plans for each patient.
- Created a hospitable atmosphere for patients by demonstrating amicable and tactical communication abilities
- Skilled in prioritizing tasks effectively to meet deadlines.
- Facilitated in enhancing patient flow about 20% by utilizing patient-centric skills, effective communication, and implementing content strategies for social media platforms.
- Leveraged research expertise to improve the caliber of therapeutic approaches.

Intern, Indira Gandhi Institute of Dental Sciences, Kothamangalam, Kerala

2022 - 2023

- Performed and acquired proficiency in patient management and routine dental treatments.
- Undertook extensive responsibilities, such as patient management and project management, while simultaneously serving as a department coordinator, all with a meticulous and strategic approach.
- Presented around 10-15 journals in the journal club.
- Crafted skills for research and content writing.
- Acquired proficiency in analyzing data, identifying issues, and formulating treatment plans efficiently.

EDUCATION

- **BDS | Kerala University of Health & Sciences, Indira Gandhi Institute of Dental Sciences Kothamangalam 2017- 2022**

LEADERSHIP/VOLUNTEER/RESEARCH EXPERIENCE

Intern, Indira Gandhi Institute of Dental Sciences Kothamangalam, 2022 - 2023

- Volunteered in about 5-10 Dental Camps conducted in various regions of Ernakulam district in Kerala.
- **Research Experience**
I collaborated with my professor in the department of Conservative Dentistry and Endodontics on a research project for the acceptance by the ICMR in my final year BDS. It was a comparison study between GIC (Glass ionomer cement) and Compomer of their relative strength and thereby I acquired the experience in scientific writing, peer-reviewing and editing.
